

School Partnerships Alliance Annual Conference

at

Sevenoaks School

Thursday 9th November 2023

10am to 3pm

Shaping the Future of School Partnerships

Join us to hear from key speakers and practitioners, and crucially, to have your voice heard. The focus of our inaugural conference is to consider these **Key Questions**:

- How do we share our partnership work and ensure it has impact?
- How do we reach the children and teachers who need us most?
- How can we best frame and evaluate what we do?

We are delighted that S.P.A. and Sevenoaks School are co-sponsoring this year's conference. By keeping costs low, we hope that all schools have the option to attend:

State Schools:	No charge
Independent Schools:	Supporters - £50; Members - £50
S.P.A. Champions:	2 free places, further places £50
Non-members:	£100 (if not all places are filled)

To book your place please RSVP by 27th October to:
